### **ORDER CONSOLIDATING CASES**

The cases identified above share common questions of fact and law. Pursuant to Rule 42 of the Federal Rules of Civil Procedure, and following a telephone conference with the parties held June 30, 2025, the Court deems it appropriate to consolidate them, at least for all pretrial purposes.

All future filings shall be made ***only*** in the lowest numbered case, Case No. 25-00259-CV-W-BP. Future filings should utilize the caption “In re: Cerner/Oracle Data Breach Litigation” instead of listing the captions for all the cases, or the caption(s) for the case(s) to which the filing applies. If a filing relates to only some of the cases, the filing party shall indicate the cases to which the filing relates in the caption under the Case Number.

On or before July 15, 2025, Plaintiffs shall file either (1) an agreed upon motion to appoint interim lead counsel or (2) competing motions for appointment of interim lead counsel. In the meantime, the parties are directed to continue conversations to ascertain the scope of the data breach that is at issue. Once interim lead counsel is appointed, the Court will schedule a telephone conference to discuss (among other things) the feasibility of, and a timeline for, filing a Consolidated Complaint.

The deadlines for filing Answers are stayed pending further Order of the Court.

**IT IS SO ORDERED.**

Date: June 30, 2025
